## JRB Art at The Elms

---

Since it is Women's History Month, we want to take a moment to celebrate a few of our amazing female artists in the Gallery. We are lucky enough to represent such an array of talented female artists like Janice Mathews-Gordon, Rebecca Wheeler, Gail Rothschild, Beth Hammack, Denise Duong, Behnaz Sohrabian and so many more. So, please admire these great works below and make sure to visit our website to view more pieces by other talented women!

In other news, JRB Art at The Elms will be temporarily closed until further notice. However, we are still offering private appointments to anyone who wishes to come in and shop. Feel free to contact us via email, Instagram, Twitter, or Facebook message to schedule an appointment!

In the meantime, we encourage you to engage with us in other ways! We have our inventory and exhibitions posted and available for viewing online. We are also currently offering free delivery or pick up to all clients in the greater OKC area and Free Shipping for our clients who live elsewhere for all purchases!
